FOREWORD

In 1953 we entered Corry High as sophomores. It was easy to get lost in the rush between classes and that fact we usually accomplished.

As juniors we had a job to do. Under the supervision of Kathy Gage, student director, we presented our play "Ah! Men!" It was well received and helped us to treat the Seniors to a wonderful banquet and prom.

Now, we are seniors! For the fourth consecutive year Walter Sanders was elected class president. This year, also, we faced an important task. We are the first class to be graduated from the new high school. The way we act will be an influence on the students taking our place in the years to come.

Junior Play

"Ah Men," a three act satire, was presented by the junior class on March 4 and 5, 1954. The play takes place far in the future, at a time when women dominate the country and all branches of business and government. The plot stresses the contrast between a male-managed country, and a world with women as the leaders, during a time of important political issues and problems of an impending war. However, "all's well that ends well" is proved when everything returns to normal as the curtain falls upon the final act of the play.

Mr. Philip Legal directed the play and was assisted by Kathy Gage, student director. The cast included the following characters.

To the present junior class goes the honor and privilege of presenting the first play in the new auditorium, and sponsoring the first Junior Prom Banquet in the new cafeteria.

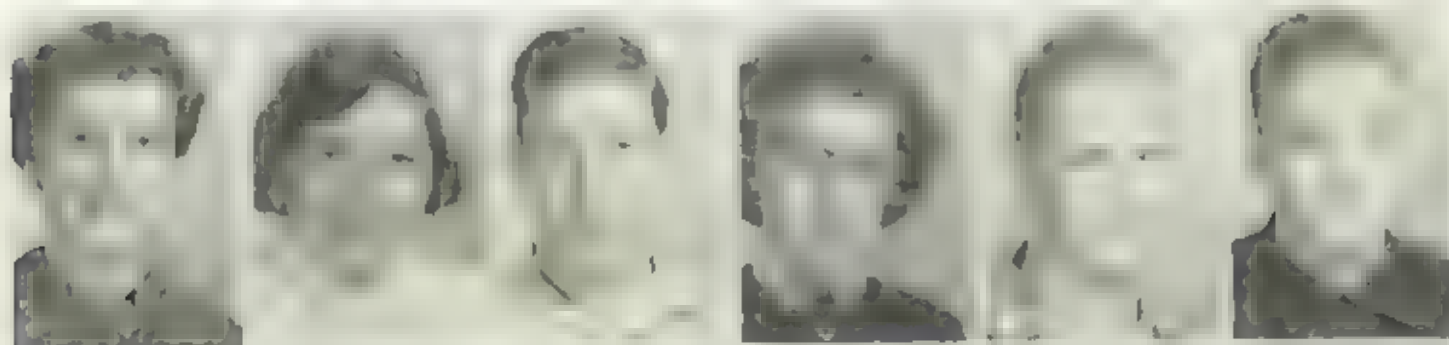

Class rings were ordered early in the term and were delivered in December. The class originated a new policy on ring ordering, another "first" for the school.

Many members of the class participated in varsity sports and intramural games, and entered into various musical and club activities.

The present sophomore class will have the distinction, in 1957, to be the first group to have spent its entire senior high school life in the new Corry Area Senior High School.

Getting used to the new building occupied a great deal of time, but the sophomore did manage to become known in both social and athletic events.

This year Hi-Times has been better than ever. The staff has displayed an unfailing interest and willingness to co-operate, keeping in mind the importance of having an interesting school publication.

Junior editors will be appointed to take over for one of the last issues. This will prepare them for the following year. It is hoped that Hi-Times will be published in the new Activities room during the second semester.

Although the costs of publication have increased, Hi-Times has not raised the subscription price to its nearly three hundred readers.

The Library Club consists of forty-five girls from the sophomore, junior, and senior classes. Every girl works in the library three assigned periods a week as a student librarian, in addition to her activities in one of the club's standing committees, which are the social, art, mending, filing, clipping, and tax collecting groups.

The club mascot is the friendly little bookworm, "Oogie" who keeps the school informed of the club's activities and the new books.

In addition to library duties the social committee is always planning some type of party or activity in which the school can participate.

The F. F. A. was a club added this year to supplement the new Agriculture Course.

Forty-six students including three girls were registered as members of the organization.

The first club activity was a very successful skating party. After this, the members sponsored a square dance, a parent and son banquet, a hunt and game supper, and an onion sale.

Several members attended the Pennsylvania Farm Show at Harrisburg in January.

With the beginning of the school year, the Student Council followed in the footsteps of the new school by undertaking new projects.

Since the school was not completed until late in the year, the Student Council did not get organized immediately. This, however, did not stop the enthusiastic group.

Soon after electing officers, the Student Council gave a party for the basketball team. This affair was a great success and, it is hoped that it may become an annual social event.

The next project, a dance after the Corry-Warren game, proved financially successful for the group. The dance was sponsored to help raise money for a new school flag.

Members of the Student Council acted as guides during the Open House held in connection with the formal opening of the new school.

To Joan Maloney went the honor of leading the flag salute at the dedication ceremonies.

Throughout their senior year, the girls worked as a group to further the ideals of Tri-Hi-Y.

At an early meeting of the Northwest District, the members undertook the responsibility of raising money to help defray the expense of sending Sharon Hansen to Paris.

Deanna Hoylen and Ruth Abbey represented the seniors at the Model United Nations meeting in Harrisburg in March.

The main money raising projects were the sale of taffy and a bake sale, both held in February.

Shirley Zalzneck was chairman of the annual Easter Sunrise Breakfast held in the school cafeteria in April.

Sharon Hansen, Junior Tri Hi-Y President, was chosen to represent the Northwest District at the Y. M. C. A. World Conference to be held in Paris during the summer. Financing this trip was one of the major problems to confront the group.

Margaret Warner and Adeline Ross were chosen to attend the Model United Nations meeting at Harrisburg.

Members of the club assisted in the Easter Sunrise Breakfast, sold greeting cards, sponsored several dances, and were hostesses to the other Tri-Hi-Y Clubs at a Splash Party.

During the Christmas season, a tureen dinner was enjoyed by the members, and a panel discussion with adults and students furnished the program for the dinner.

To raise money for club activities, the girls sponsored a Sock Hop, and a Splash Party.

Clark Bachofner, a senior commercial student, was the Corry Area Senior High School treasurer. He was assisted by Olm Capwell, also a commercial student.

Since the school treasurer is in charge of all school organization funds, the two treasurers handled over forty five thousand dollars during the school year. Seventeen different groups deposited money in the general fund, and the work of the treasurers, under the supervision of Mr. William Miller, was a tremendous responsibility.

Under the capable direction of Mr. H. Lynn Rice, the Corry Area High School Band was a "much looked forward to" event during the football season. Their formations were unique and well received by the many fans who attended the games. Outstanding performances included the story of Cowboy Joe, and many can still remember Cowboy Joe's spirit, a giant balloon, ascending into the night sky.

In the fall, when the weather was good, pep assemblies were held in the parking lot. This condition arose because the auditorium was not finished.

As soon as the new music rooms were ready for occupancy, the band met regularly and concentrated on the works of such outstanding composers as John Philip Sousa, George Gershwin, and Rudolph Friml.

The majorettes accompanied the band on marching performances. They were skilful in all routines and reflected the time and effort spent by Mrs. Norman Tarbell who worked with them so diligently during the season.

Under the able direction of Mr. H. Lynn Rice, the Corry Area High School Orchestra completed another fine year.

Although they were confined to just two periods per week, they practiced diligently for their appearances. The group was presented to the public for the first time at the Elks Lodge of Sorrow on the first Sunday of December. They also played for the Junior Class Play in March, and staged a very successful concert in May.

Miss Arlene Frontroth and Miss Vina Lilley were chosen to represent Corry at the All-District Orchestra Festival at Millcreek. This orchestra was composed of outstanding musicians from five counties in Northwestern Pennsylvania.

The 1954-1955 A Cappella Choir was under the direction of Mr. H. Lynn Rice. Although the chorus was smaller than usual, the members gave their usual fine performance at all of their appearances.

The annual Christmas pageant was not given for the public this year because of the unfinished auditorium. A Christmas program was given in the cafeteria for the students of the Junior and Senior High School.

Later in the year, after the auditorium had been completed, the A Cappella Choir presented their annual Spring Concert. This has been a highlight of entertainment during the school term for many years.

The following members of the A Cappella Choir were chosen to attend the All-District Chorus at Albion: Carol Mallick, Helene Harris, Maurice Aldrich, Cecil Carbaugh, Michael Gross, and Doris Christensen.

In May, 1954, the A Cappella Choir presented a concert following the theme "Down Memory Lane." Starting with the songs of the Gay Nineties, the choir progressed through the popular songs of yesteryear to the songs of today.

The Girls Chorus had a prominent part in the Christmas program, had a Spring Concert of their own, and played an important role in the 1955 Baccalaureate Service.

The primary reason for the organization of this club was to further the enjoyment of group singing.

SEASON'S SUMMARY

Corry Area High Beavers ran the state's longest major scholastic win streak to 20 before being dropped by Franklin in attempting to achieve their 21st consecutive victory. Hampered by injuries to key men, the Beavers were "shut out" in their three season losses. Five lettermen formed the nucleus for the 1954 team. Eleven lettermen from the 1954 squad will return to form the nucleus for the Beavers in 1955.

The Beavers looked good in the season's opener by defeating a highly-regarded Warren team by one-point margin. Lynn Austin scored the first touchdown of the season. Dick Sorenson's thrust from a yard out, after Walter Wolfe's 31 yard scamper, was the decisive score.

In the second game of the season the Beavers defeated Johnsonburg. Walter Wolfe scored on a 50 yard punt return and other touchdowns were made by Sorenson (two) and Austin.

Corry traveled to McDowell where they defeated the Trojans by a 19-6 score. Sanders' defensive play was the outstanding feature of the game.

The Beavers, seeking their fourth victory of the season and their 21st over a three year span, looked anything but good in going down to their first defeat of the season by the Franklin Knights. The loss

of Dick Sorenson, via a dislocated elbow, was the turning point in the game.

Bouncing back in their fifth contest, the Beavers defeated Grove City in the fifth annual Potato Bowl game by a score of 18-7. They still maintain their record of never losing this Chamber of Commerce tilt.

Postponed by inclement weather conditions, the Beavers met their arch rivals, the Titusville Rockets, on a Monday night and both teams put on an offensive show. Lynn Ausin scored twice to lead the Beavers a thrilling 18-14 victory.

The Beavers suffered their second worst defeat over a period of seven years by losing to North East. It was also their first loss to the Grapepickers since 1947.

In their bid to retain their Section 2 crown, the Orange and Black suffered their third loss of the season to Meadville. The Beavers just didn't seem to have it for this decisive game. It was the third time they suffered a shut out in 61 games.

Scoring two touchdowns in the first quarter and adding two more in the last quarter, the Beavers wrote finis to the 1954 season by recording a triumph over Oil City. It was practically an all-senior team that participated in this contest.

The Varsity Club was organized seven years ago for the purpose of learning and putting into practice the ideals of good sportsmanship.

Since that time, the members and sponsor feel that the club has been responsible to a large extent for the good conduct of the boys on the various teams.

To be eligible for membership in this club, a boy must be on one of the school varsity squads. This year fifty two boys answered to the roll call.

The Beaverette Club, noted for its many activities, is one of the most active clubs in school.

Membership is limited to senior girls who endeavor to create and promote school spirit.

A bright spot during the year was the adoption of a new club emblem—a black beaver on an orange background, with the club name on the bottom.

Buses for out of town athletic events were arranged for by the Beaverettes who also ushered or sold tickets at all home games.

Two banquets and a picnic were also part of the clubs activities.

The Gym Club met every Tuesday and was open to any girl from grades nine through twelve. Good sportsmanship was taught in various sports.

This year something new has been added. The girls have formed Varsity and Junior Varsity basketball teams and have played the gym clubs of schools in the surrounding area.

Alma Mater

As the hills of Pennsylvania
Rise to skies of blue,
So ascends our veneration,
Corry High, to you.

Let the chorus swell in athenas,
Far and loud and long,
Corry High School and her glory,
Ever be our song.

There amid the busy humming
Of our city fair,
Proudly stands the old High Building
Tis for her we care

Though from here our paths may sever,
Distant unknown ways
Still abides the memory ever,
Of our High School Days

Chorus
Raise the chorus, speed it onward
Till the echoes flee,
Here's a cheer for Corry High School
Hail, all hail to thee
